

## “God’s Work, Our Hands”

In April five Scrappy Ladies planned a trip to the Healing House of Barbara Inge at Bethany Beach. With experience, the ladies know they must plan ahead for Holiday card deliveries. A spring or summer trip is needed

each year to make Christmas and Hanukah cards. They mixed service, healing and pleasure to create over 400 cards and sort Christmas card fronts for St Jude’s Camp for Children in Colorado.

Returning to the Haugen home the ladies gather again. So far in 2011 card deliveries have totaled over 2600 “created” and donated cards to others; bringing “God’s Work, Our Hands” totals to over 17,600. Praise the Lord!

The Scrappy Ladies continue to gather and create from recycled donations. As we enter our 6<sup>th</sup> year of service we want to express our appreciation for your ongoing support of donations for the hospitalized at Walter Reed, abused children and the deployed overseas. Praise the Lord, all are blessed!

With zeal Elaine Peoples adds to the numbers of cards. She creates all year long at home. This particular card grouping is mostly from Aloha fabric scraps Peace Quilters received from Hawaii. The other Scrappy Ladies truly appreciate her year round inspiration.

Elaine, a true Scrappy Lady Extraordinaire, we thank you for your beautiful cards!
